Whole School attendance: 92.5%

Message from Headteacher:

As we reach the end of another wonderful school year, I would like to say how incredibly proud we are of every child and all that they have achieved this year. It has been a joy to see the progress, resilience and enthusiasm shown by our pupils, and to celebrate the unique learning journey of each and every one of them.

Our children have worked hard, embraced new challenges and created many special memories along the way. Their achievements, both in and out of the classroom, are a credit to them and we are delighted to share in their successes. We wish our Year Two pupils every success as they move onto their new schools, we look forward to hearing how they have settled into their new classes.

Thank you for all our parents and families for your continued support, encouragement and partnership throughout the year. Your involvement makes a real difference and helps our children thrive.

We wish you all a happy, restful and enjoyable break, and we look forward to welcoming everyone back refreshed and ready for another exciting year of learning.

With very best wishes.

Reception

We have had a marvellous term in Reception. Highlights include our trip to Take 2 Adventure, we learnt how to clean water, press flowers, and toast marshmallows. During the heatwaves we kept cool by having an ice foot spa! We grew and harvested our radishes; they were very tasty. We learnt about turtles after reading 'Clean up' and had a go at making one.

Well done everybody in Reception, we have had a fantastic year and good luck in Year 1.

Year One

What a fantastic last half term in Year 1! The children have all amazed me this year with their love for learning, resilience and their happy, smiley personalities.

This term we have had a wonderful trip to Doddington hall, exploring the outdoors and getting a little wet from the rain. We have explored the history of flight, looking at The Wright brothers, Neil Armstrong and Mae Jemison and how they have had an impact in history. Our space topic has transferred into our writing and focus books, them being, 'Man on the moon', 'Look up' and 'The way back home'. In science we have been exploring the seasons of the year further, we now are confident with the seasonal changes and the months of the year related to each season. We have completed our last DT project which was making Pull along toys of Aliens or Rockets and got to show all our creations at the art show for parents.

I am so proud of you all Year 1 and I cannot wait to see all the amazing things you get up to in Year 2!

Year Two

On Tuesday, Year 2 had a great day out at Take 2 Adventure. Our day started with a welcome to the site and an explanation on how to use the composting toilets! We then split into three groups to do our activities.

Children all got the chance to learn about safe fire lighting. They were able to try creating a spark with flint and steel – it was quite tricky! Next, they gathered sticks and carefully placed them into the fire pan ready to start our campfire. Once the flames had started (and we had had an impromptu sing of our Great fire of London song!) every child was able to safely toast a marshmallow over the fire and squish the melted marshmallow between two biscuits to make smores! Delicious!

Another activity that we enjoyed was archery. Year 2 showed great determination in getting their arrows ready and trying hard to aim and hit the target! We definitely have a few Robin Hoods in our midst! Our final group activity was the beautiful Japanese Hapazone art. Children collected leaves and flowers then placed them between fabric and used a hammer to release the natural dye from the plants. There were some really beautiful results!

Absences

☐ Polite Reminder

Please can all pupil absences be reported directly to the **school office on the first day of absence.**

School Office: 01522 526280

Email Address: spenquiries@infinityacademies.co.uk

To help us ensure that absences are recorded promptly and accurately, we kindly ask that you **do not report absences via ClassDojo.**

Thank you for your support and cooperation.

Safety comes first

To ensure we create a safe environment outside school, please follow this guidance:

-

When arriving by vehicle at school, please leave sufficient time to park safely and legally (There is a 15-minute leeway in the car park on Langworthgate or other the roads around the school).

Do not park on the double yellow lines.

Do not park half on and half off the road (on the pavement)

Parking on the pavement can obstruct and seriously inconvenience pedestrians, people in wheelchairs or with visual impairments and people **with prams/pushchairs.**

Tennis Club: Please be mindful when parking around the Tennis Club, we do have a good community relationship with them and would not want to jeopardise this.

Play equipment

Please do not go on the equipment after school, we are not covered by insurance.

DATES FOR YOUR DIARY

22nd July- Last day of term 6

3rd Sept- First day back of term 1

29th Sept- Individual Photographs

26th Oct:- Half Term

18th Dec:- End of Term 1

Happy Holiday

Put Down Your Phone.

Don't miss out on chances to talk with me!

Looking at your phone
all the time makes me think
you don't want to talk to me.

When we are out and about please
talk to me about what we can see.

I learn new words when we play together,
so put down your phone and play,
talk, sing and read with me.
